

Owen Elementary PTA

Owen Elementary PTA is a group of parents and teachers who come together to support the wellbeing of our students and school community.

Being a part of the PTA doesn't mean just attending meetings or volunteering, we appreciate any contribution and support our families and community are able to provide.

The Owen PTA spends more than \$40 per student to provide funding for educational enhancements such as field trips, educational assemblies, after school clubs, teacher grants, and curricular activities.

JOIN ONLINE TODAY for \$22 per family and support Owen Students!
